

Parent/Child Online Agreement

As your child, I agree:

1. I will tell you right away if I come across any information that makes me feel uncomfortable.
2. If I get a message that is mean, or makes me feel uncomfortable, I will not respond. It is not my fault if I get a message like that, and I will tell you if I do.
3. I will not give out my address, telephone number, or the name and location of my school without your permission.
4. I will never agree to meet anyone I meet online without checking with you first.
5. If I agree to meet someone I have met online, I will tell you so you can accompany me and it will be in a public place.
6. I will never tell anyone my password (even best friends) except for my parent(s).
7. I will not download any software without checking with you first.

As your parent, I agree:

1. To respect and encourage your use of the Internet.
2. I will not open your email or files unless you ask me to.
3. I will trust you to come to me with any problems.
4. I will trust you to follow all the points in our agreement.
